PROFILE SUMMARY

Hello, I'm Shofikul Islam Parvez, a dedicated front-end developer with a passion for crafting immersive digital experiences. Proficient in HTML, CSS, and JavaScript, I leverage my skills to create user-centric designs that blend innovation with functionality. With a keen eye for detail and a commitment to continuous learning, I aim to bring ideas to life through captivating and seamless web interfaces. Let's build the web together, one pixel at a time.

WORK EXPERIENCE

POSITION TITLE

Autism Special Educator , from Blue sky Autism school in Bangladesh

• Every student with autism is unique. Spend time understanding each student's behavior, communication style, triggers, and strengths.

• Establish a predictable routine and clear expectations. Use visual schedules, timers, and visual cues to help students understand what to expect throughout the day.

•Collaborate with occupational therapists to incorporate sensory activities, fine motor skill exercises, and strategies to address sensory processing issues into the classroom.
